# Learners' Minyanim

Shabbat Services Guaranteed Learner-Friendly!

Are you lost in services? Do you want to talk about the meaning of different prayers? Don't know when and why to stand or sit? Don't know Hebrew or just learning it?

**Join Rabbi Rabbis Charles Feinberg or Gil Steinlauf as they lead this learner- friendly Shabbat service.** The Learners' Minyanim welcomes adult students at any level (and kids!) The service is led slowly, and includes explanations of structure, meaning and choreography of prayers, participation of students and teachers, and *frequent announcements of page numbers!*
